KINDLY GIVE 48 BUSINESS HOURS NOTICE IF YOU MUST CANCEL OR RESCHEDULE (704) 919-1105

Welcome to Dermatologic Surgery of the Carolinas!

Enclosed you will find several information forms to fill out prior to your arrival at our office for your appointment. Please bring completed forms with you on your appointment day. The enclosed forms include:

- Patient information form
- Medical history form
- Signature form for Privacy Policy (HIPAA), Financial Policy, and Release of Medical Information
- Directions to our office

If you should have any questions regarding your appointment, insurance coverage or the Mohs procedure, please do not hesitate to contact our office at (704) 919-1105. Here at Dermatologic Surgery of the Carolinas we strive to provide top-quality, cutting-edge treatment of skin cancer and other dermatological conditions so please do not hesitate to contact us if you have any questions or concerns.

Along with the enclosed forms, please bring the following to your upcoming appointment:

- **Insurance card** (We cannot see you without verifying your insurance with your insurance card)
- **Co-pay or Deductible** (We will verify this with you prior to your appointment time)

Completing these forms with their required signatures and having your insurance card and co-pay/deductible can dramatically decrease the time required for check-in, so we appreciate your assistance and we look forward to your visit.

Mohs: Day of Surgery Guidelines

1. Plan to spend 3-4 hours in the office for your Mohs procedure
2. You can drive yourself to and from the office unless you will be taking any type of pre-op sedative prior or if your surgery site may affect your driving
3. You will be able to eat and drink as normal and take your normal medications except for those listed:
4. *****IF YOU ARE ON COUMADIN, DO NOT STOP TAKING IT*****
5. Please wash the area well and do not apply any lotion, creams or makeup
6. Plan to stay in town at least until your stitches are removed, 1-2 weeks depending on location
7. Do not plan any physical activities for at least 48 hours after the surgery
8. No weight lifting, aerobics, running, golf, tennis, swimming etc is allowed while sutures are in place
9. **Due to limited space in our waiting room, we ask that you do not bring more than one person to join you at your appointment.**
10. **Due to the lengthy nature of procedures, please do not bring children with you on the day of your procedure.**
11. We will numb the area with a local anesthetic. The physician will take a small section of the tissue and put it on a slide. He is the surgeon and the pathologist so he will examine the tissue to ensure he has removed the entire tumor and if he has not, he will repeat the steps until the tumor is gone. Depending on the size of the defect, sutures may be required to repair the area.
12. You will leave the office with a bulky bandage that is to stay on and dry for 24 hours.
13. Wound care will be explained by the nurse before you leave the office.
14. Risk and side effects include, but not limited to: bleeding (which we will stop in the office), scarring and discoloration (the area will be red initially and fade to a white color that normally occurs with scarring) and possible nerve damage (due to injuring the sensory nerves in the tissue, which normally gets better with time).
15. One week prior to your appointment, you may receive a call from our billing department with any payment details that will be due at the time of service.

Release of Medical Information

I authorize the release of medical information to my primary care or referring physician, to consultants if needed, and as necessary to process insurance claims, insurance applications and prescriptions.

Privacy Practices (HIPAA)

By signing below, I acknowledge that I have read and understand Dermatologic Surgery of the Carolinas "Notice of Privacy Practices". This document is posted on our website (www.dsc-charlotte.com) and made available at our check-in desk. We would also be happy to provide you with a copy of this policy for you to take home with you.

Financial Policy

Payment is required for all services at the time they are rendered. **An estimate of ALL co-payments, deductibles, co-insurances not covered by your insurance carrier will be collected up front and due on the date of service.** Failure on our part to collect these from patients may be considered insurance fraud.

When calling to confirm your appointment, we will notify you of the amount due at the time of service – this is only an ESTIMATE. Due to the possible extensive nature of some dermatologic procedures, there may be instances where additional procedures may be necessary in order to fully remove or treat your condition and/or lesion. This would result in additional fees.

To provide the best care possible, Dermatologic Surgery of the Carolinas may, on occasion, send specimens to an outside source for processing. Examples of these services are pathology and laboratory testing. Should we send a specimen to other providers, you will receive a separate billing statement from the outside pathologist and/or laboratory; these charges will be in addition to those services rendered by Dermatologic Surgery of the Carolinas.

We accept payment in the form of **cash, check, Visa, MasterCard, Amex and Care Credit**. In the event that your account must be turned over to collections, a $25.00 collection fee will be added to your account. There is a $30 fee for any returned check. Your signature below signifies your understanding and willingness to comply with this policy.

I have read and understand this financial policy statement. I agree to make in-full prompt payment to Dermatologic Surgery of the Carolinas when billed for any and all charges not covered or paid by valid insurance benefits for and in consideration of services rendered.

In addition to the above, if I am a Medicare patient, I authorize any holder of medical or other information about me to release to the Social Security Administration and Center for Medicare and Medicaid Services, or its intermediaries or carrier, any information needed for this or a related Medicare claim. I permit a copy of this authorization to be used in place of the original, and request payment of medical insurance benefits either to myself or to the party who accepts assignment. Regulations pertaining to Medicare assignment of benefits apply.
